

ECDO EATI 2023

ECDO & EATI Joint Annual Conference

Cell Death in Oncopharmacology and Oncoimmunology

28-30 JUNE 2023 – INSTITUT PASTEUR - PARIS

ECDO & EATI JOINT ANNUAL CONFERENCE OVERVIEW

We are pleased to announce that the online registration and call for abstracts are open on the website of the [ECDO-EATI Conference](#).

The **European Cell Death Organization ECDO** and the **European Academy of Tumor Immunology EATI** will celebrate their joint annual meeting on June 28-30 at the Pasteur Institute, Paris, France.

The topic of the **ECDO-EATI 2023 conference** will be « **Cell death in oncopharmacology and oncoimmunology** ». The first day of this high-carat meeting will be devoted to cell death mechanisms, the second to immunogenic cell death, and the third to recent developments in the everexpanding field of immuno-oncology.

Keynotes Lectures :

- **Prof. Mauro Piacentini**, *University of Rome Tor Vergata, Italy*
- **Prof. Patrizia de Agostinis**, *KU Leuven, Belgium*
- **Prof. Ignacio Melero**, *Universidad de Navarra, Spain*
- **Prof. Tadatsugu Taniguchi**, *University of Tokyo, Japan*

We are looking forward to welcoming you next June in Paris !

Best regards,

Prof. Marie-Lise Gougeon, Conference Chair

Prof. Guido Kroemer, President of EATI
